

SAMHITAOFFICE™ · GOV EDITION v0.2 · FOR PROCUREMENT FILE NOTING

Policy Compliance Statement

SamhitaOffice™ Gov Edition v0.2 x64Bit IND · Swadesh Enterprises · Lucknow, India

This statement is issued by Swadesh Enterprises to support internal procurement file noting, justification and approval processes of Indian government departments, public sector undertakings and allied institutions evaluating SamhitaOffice™ Gov Edition v0.2 x64Bit IND, an Office Productivity Suite Software developed by SwadeshLABS in Lucknow, India.

1. Make in India alignment

SamhitaOffice™ is designed, developed and maintained entirely in India. The software, its documentation, templates and support processes are produced by Indian personnel under Indian jurisdiction. No foreign development, hosting or data-processing dependency exists in the product as supplied.

2. Air-gapped, offline-first architecture

SamhitaOffice™ Gov Edition operates without internet connectivity. Document editing, spreadsheet work, presentations, PDF review and the local SamhitaAI assistance layer run entirely on the workstation. No document content leaves the machine; there are no telemetry calls, no cloud synchronisation and no external licence-activation dependency.

3. Government e-Marketplace (GeM) listing

Swadesh Enterprises is listed on the Government e-Marketplace as an Original Equipment Manufacturer under the category Office Productivity Suite Software, with Vendor Assessment report VA-740230947412816 dated 12 June 2026, valid until 11 June 2029. This assessment is a marketplace vendor-verification record; it is not a security certification or a government endorsement of the product.

4. Licensing and pricing

SamhitaOffice™ Gov Edition v0.2 is supplied as a perpetual licence at MRP ₹32,799, currently offered at a Launch Price of ₹23,499 per licence, inclusive of GST. Physical delivery of installation media is available for air-gapped environments.

5. Data sovereignty

All documents created or processed with SamhitaOffice™ remain under the exclusive control of the deploying office. The product imposes no foreign jurisdiction, foreign cloud dependency or foreign data-access pathway over Indian government records.
